

2018 AFTER SCHOOL CLUB CHOICES

Registration window will be open from Jan. 8th-11th.
Registration notices go home on Monday January 8, 2018, in the children's backpacks! Confirmations from the teachers running the club will go home on Jan. 17th and clubs will start on Jan. 22nd.

Please include this information on your envelope:

Roosevelt Winter After School Clubs

To: Linda Fargo - Clubs Coordinator

Child's Name: _____

Teacher: _____

Registration Form and Payment enclosed

All Clubs will have a limited number of participants. Students who have not taken a particular club will be accepted before those students who have already taken the club. If there are still spots available, it will be open to any student who has already taken the club. You can make comments on your registration form as to 1st choice and 2nd choice.

There are so many great choices! We encourage all students to try something new! You might really like it!

See All Clubs Choices Below

Any Further questions please contact Linda Fargo

Club Choices

Arts and Crafts
All grades
Mrs. Brown
Monday

Each week you will create new arts and crafts projects using a variety of materials. The projects will be ready to take home the same day!

Extra Materials fee of \$5 CASH for supplies

Legos
All grades
Mrs. Zaccardi
Tuesday

Use your imagination and build with Legos. Children will have the opportunity to work together or independently and create many different things.

Puzzles
Mrs. White
All Grades
Monday

Do you like to solve puzzles? If you answered YES, then you should join the Roosevelt Puzzle Club! Challenge yourself to solve Sudoku and logical puzzles. Socialize while putting together a 100,200,300, or more piece puzzle. Each week you can add onto the puzzle until it's complete. Grab a friend and ask them to join with you or come and meet new friends.

Cooking
Mrs. Aleksa
All grades
Tuesday, Thursday or Friday
(Choose 1 day)
Groups limited to 25 each day

Children will be hands-on making delicious treats they get to eat. They will go home with the recipe to make for their family.

Extra Materials fee of \$15 CASH for ingredients

Garden Club Part I
Mrs. DiLeo
All Grades
Tuesday

Many plants need to begin their journey of growing indoors in the winter time to get ready to be planted in the Spring. In this club you will decorate pots and begin the beginning stages of planting fruits, vegetables and flowers for the Roosevelt Garden. In the spring there will be part II of this club. Participation space will be limited, so think about which session you would like to be in the Garden Club.

Extra materials fee of \$5 CASH for supplies

Games
Mrs. Barry
All Grades
Monday

Have fun playing games with friends. (Brain teasers, board games and more) Some of the games will be mind boggling to figure out. This will be a challenge and lots of fun.

**Zumba
Ms. Murthy
All grades
Thursday**

Bring a Zumba party right into school with our Zumba fitness class! Zumba Fitness is a program based on the national dance-based exercise craze, Zumba. The secret of Zumba is its pairing of dance steps with Latin music which blend together to create a fun, yet challenging exercise!

**Kindness Leaders Club
Mrs. Fargo
All Grades
Thursday**

Members of this club will meet weekly to talk about and create ideas to support respect and kindness toward everyone. Students themselves will come up with ideas to display and teach respect in our school community. Ideas students have suggested already include chalk on our sidewalks, posters and skits at lunch. Members of this club will participate in discussions about differences, diversity and inclusivity. They will take part in community circles using the principles of restorative justice, and learn age appropriate conflict resolution skills to help them on the playground, in class in the halls and at home.

**Roosevelt Newspaper
Mrs. Dembro
Grades 4 and 5
Tuesday**

Come be a part of the first Roosevelt Newspaper. If you have a flair for covering the news and education, writing articles, conducting interviews, creating games, puzzles or comics, editing, computer layout work... Sign up now!

There is limited enrollment.
